Office of Petitions

Arlington VA 22202

Sir:

Petitioner hereby requests reconsideration of the decision of September 16, 2002 to dismiss the petition to revive the unintentional abandonment of the above-identified patent application filed previously on August 12, 2002.

The Petitions Examiner has indicated that the original petition lacks the reply which is met by notification of such filing in a foreign country or under a multinational treaty.

Petitioner submits that a corresponding patent application filed in the PCT, assigned International Application No. PCT/IL02/00475, was accorded an International filing date of June 18, 2002 (see Exhibit A attached herewith). The 45-day deadline to file the Request to Rescind Previous Nonpublication Request Under 35 USC 122(b)(2)(B)(ii) was August 2, 2002. The entire delay in filing the required Request to Rescind Previous Nonpublication Request from the due date of August 2, 2002 until the filing of this petition on August 12, 2002 was unintentional.

The Commissioner is hereby authorized to charge any additional fees or credit any overpayment to Deposit Account No. 50-2057.
